FURNITURE

***oak lacquered / black st***

Orion is a modern style living room collection that meets today's storage needs, consisting of 23 different items of furniture.

Orion's minimalistic and clear design is timeless and therefore versatile in different spaces.

The edge of the furniture cover has a flush, which makes it look thin and gives the product an ultra-light and modern look.

Drawers and doors have Push to Open system

Black and white versions have mdf front, other ones solid oak front.
